In his role as Auctioneer of Lots, the Auctioneer acts solely for, and in the interest of the Seller. When the Auctioneer or his Representatives make statements about a Lot, they are doing so on behalf of the Seller of the Lot and any statements are statements of opinion only. Bidders and Buyers are strongly advised to seek and obtain independent advice on the Lots, on their state and their value before bidding for them.

1. We reserve the right at our sole discretion, to refuse admission to the premises of viewing or of the sale without stating a reason. We have complete discretion as to whether the sale proceeds, whether any Lot is included in the sale and the manner in which the sale is conducted.
2. We have complete discretion to refuse any bid, to nominate any bidding increment we consider appropriate, to divide any Lot, to combine two or more Lots and in the event of a dispute, to put up any Lot for auction again.
3. All Bidders must, prior to an auction, complete a 'Registration Form' and show a means of identity (such as an Identity Card), to the Auctioneer or his Representatives.
4. The buyer shall be the Bidder who makes the highest bid acceptable to the Auctioneer for any Lot (subject to the applicable Reserve), to whom the Lot is knocked down by the Auctioneer at the striking of the Auctioneer's hammer. Any dispute as to the highest acceptable bid will be settled by the Auctioneer at his absolute discretion.
5. Each Lot is sold as is and as viewed by the Buyer with all faults and defects if any. Buyers shall provide their name, address, identity card number and pay a deposit of not less than 10% (ten per cent) of the total hammer price at which the Lot was purchased. Only bank drafts and cash are accepted as payment for Lots.
6. No purchase shall be claimed or removed until it has been paid in full and the sale has been concluded. All purchases shall be removed at the Buyer's risk and expense within two days from the sale, failing which, the Auctioneer shall not be responsible if same are lost, stolen or damaged. Failure to pay and remove all Lots purchased may incur interest, the payment of insurance cover, packaging expenses, transport expenses and storage charges at the Auctioneer's sole discretion.
7. Buyers shall pay the hammer price together with a premium/commission of 5% (five per cent) of the hammer price. The premium/commission attracts VAT at the current applicable rate (18%, eighteen per cent) and is payable by the Buyer. Buyers are also liable to pay stamp duty at the rate of €6.06 on every €232.94 or part thereof.
8. Only on the payment of the purchase price in full to us will the title of the Lot pass to the Buyer. However, the risk of the Lot is passed to the Buyer when it is knocked down to the said Buyer.
9. The Auctioneer or his Representatives do not issue any representation or warranty.
10. No one shall be allowed to enter the premises of the viewing or of the sale with bags or umbrellas.
11. None of the Auctioneer's agents or his Representatives has any authority to alter, vary or qualify in any way these Conditions of Business.
12. Buyers give the Auctioneer all rights to use and publish any photographs and images of Lots sold at any time and at his absolute discretion.
13. The Auctioneer is not responsible for life and limb on the premises during the viewing, sale and after the auction.
